These terms and conditions, together with our [Privacy Policy](#) and any other documents or additional terms they expressly incorporate by reference (collectively, these 'Terms and Conditions' or 'Agreement'), govern your access to and use of our website ('Site' or 'website'), and your use of the Services.

1.2. Our Services include, but are not limited to:

- a) Multi-currency business accounts
- b) Money transfers
- c) Currency exchange

1.3. All references to 'our', 'us', or 'we' within these Terms and Conditions are deemed to refer to TransferGo and include, where applicable, employees, directors, successors, affiliates, and assigns.

1.4. All references to 'you' or 'your' within these Terms and Conditions refer to the Business (this includes a sole trader, freelancer, limited or public company, partnership, charity or trust), the user of our Service, whether as a client of TransferGo, Senders, or Receiver (defined in Section 6.1), or visitors to our website or mobile application.

1.5. Your use of the Site, and Services (including accessing, browsing, or registering to use the Site) confirms your unconditional agreement to be bound by these Terms and Conditions and is subject to your continued compliance with them.

1.6. By using the website, and Services, you accept and agree to be bound by and comply with these Terms and Conditions and our [Privacy Policy](#) referenced herein. If you do not agree to these Terms and Conditions, you must not access or use the website, register with us, or use the Services.

1.7. We reserve the right to revise these Terms and Conditions at any time by amending this Site. Your continued use of the Site after any such amendments are published will be considered acceptance of the amended Terms and Conditions. Updated Terms and Conditions will supersede all previous versions.

1.8 This Agreement starts when you register with us and will continue until it's terminated by you or by us.

2. About us

2.1. TransferGo is a company incorporated under the laws of England and Wales with company number [07914165](#). Our registered office is The Bower, 207 Old Street, EC1V 9NR, London, United Kingdom. This office is not publicly open to you or other members of the public.

2.2. TransferGo is an authorised electronic money institution (EMI) authorised by the Financial Conduct Authority (FCA) under the Electronic Money Regulations 2011 (EMRs) and the Payment Services Regulations 2017 (PSRs) (Firm reference number: [991295](#)) to issue electronic money and provide payment services.

3. Accessing the Service

3.1. In order to access and use the Site and our Services, your Business must be registered or incorporated in a country or territory that we support.

3.2. You must confirm that you have the authority to bind the Business or entity, on whose behalf you seek to use our Services, as a Sender or Receiver, and that the Business or entity accepts these terms in full. If we request proof of this authority and you fail to provide it, we may close or suspend your TransferGo business profile ('Business Profile') or multi-currency business account ('Business Account', 'Account') or deny your Business access to our Services.

3.3. You agree that you will be bound by any actions taken as the Authorised Business User (defined as the person who creates a Business Profile).

3.4. You acknowledge that we will verify the Authorised Business User.

3.5. We are not obliged to process any particular transaction. When you submit a transaction request, you are requesting that we process the transaction on your behalf and consent to its execution, which request we may, in our sole discretion, accept or reject.

3.6. You may withdraw your consent to execute a transaction at any time before you make a payment to us. We might not be able to cancel a transaction that has already been executed. You may also withdraw consent to execute a series of transactions, in which case all future transactions become unauthorised.

3.7. We may, at our sole discretion, impose limits on the Transaction Amount (defined in Section 6.2). We may do so either on a per-transaction basis or on an aggregate basis, and may apply to one set of registration details or one Payment Instrument (as defined in Section 7.1) or related sets of registration details or Payment Instruments.

3.8. In such cases, we will notify you promptly of our decision and refund the Transaction Amount received by us, provided that we are not prohibited by law from doing so.

3.9. When making a payment for a money transfer in a currency other than British pounds (GBP), you may be interacting with TransferGo's sister company, UAB TransferGo Lithuania. In such cases, your funds will be held in accordance with the regulations and licences that apply to UAB TransferGo Lithuania.

3.10. To access certain Services, such as the Invite a Friend Programme, you may be asked to agree to additional terms and conditions.

3.11. If you are not a consumer, a micro-enterprise or a charity as defined by PSRs, Part 6 and clauses 66(1), 67(3) and (4), 75, 77, 79, 80, 83, 91, 92 and 94 of Part 7 of PSRs do not apply to these Terms and Conditions.

4. Using the Service

4.1. You don't need to create a TransferGo Business Profile to visit or use most areas of our website. However, to use the Service and access restricted areas of our website, you will need to register and set up a Business Profile, and provide certain information about yourself and your Business. If during registration you provided a name and surname that do not match your identification documents submitted to us, you agree that we will autocorrect your details according to your identification documents.

4.2. Your use of the Service requires a Business Profile. You are solely responsible for your Business Profile and the maintenance, confidentiality, and security of your Business Profile, including all related passwords and passcodes, as well as any activities that occur under your Business Profile whether initiated by you or by others who gain access to your Business Profile with or without your permission.

4.3. You must: (i) change your password and/or passcode regularly and ensure that they are not used across other online accounts; (ii) contact us if anyone asks for your TransferGo password and/or passcode; (iii) always follow recommended password and/or passcode management practices; (iv) set up two-factor authentication where prompted; (v) keep your email account secure. You may reset your Business Profile password and/or passcode using your email address and phone number. Let us know immediately if your email address becomes compromised.

4.4. You must not: (i) disclose your TransferGo Business Profile password, passcode, or reference number. Keep them safe; (ii) allow anyone to access your Business Profile or watch you access it; (iii) use any functionality that allows your login details, passwords, or passcode to be stored by the computer or browser you are using, or otherwise cached; (iv) do anything that may compromise the two-factor authentication process.

4.5. You must ensure that you only enter your TransferGo username, password, and/or passcode on our official website via a browser, at <https://www.transfergo.com/>. Be aware that fraudsters may send emails and SMS messages containing links to fake login portals designed to phish your login information and two-factor authentication details. Additionally, criminals may place malicious advertisements on search engines that lead to fake websites impersonating trusted businesses, including TransferGo.

4.5.1 You, as an Authorised Business User, may add, appoint, or remove Additional Users to access, use or operate your Business Account or otherwise use our Services on behalf of your Business (“Additional Authorised User”).

4.5.1a. We may make available different types of Additional Authorised Users with varying levels of access and permissions (“User Roles”), including but not limited to “Owner”, “Admin”, and “Viewer”. The permissions associated with each User Role will be as specified within the Business Account interface from time to time.

4.5.2. Additional Authorised Users are not permitted to add further users or modify user permissions unless such capability is expressly provided for within the Business Account settings and enabled by you.

4.5.3. Each Additional Authorised User will have the level of access and permissions assigned to their User Role. Depending on the permissions granted, an Additional Authorised User may be able to:

- a) load, add, or deposit funds;
- b) initiate, approve, or execute payments, transfers, or withdrawals;
- c) exchange or convert currency;
- d) view all Business Account data, including balances, transactions, and statements;
- e) take other actions permitted within the Business Account.

4.5.3a. A “Viewer” is an Additional Authorised User with read-only access. A Viewer may view Business Account information, including balances, transactions, and reports, but has no authority to initiate, approve, or execute transactions, make changes to the Business Account, or otherwise act on behalf of the Authorised Business User.

4.5.4. Any instruction or transaction carried out using an Additional Authorised User’s credentials with the relevant permissions will be treated as if made by you.

4.5.5 We will not apply any additional internal review or approval to transactions initiated by the Additional Authorised User unless required by law, sanctions requirements, or risk-management procedures.

4.5.6 You agree that you are fully responsible for:

- a) the actions, omissions, and conduct of all Additional Authorised Users;
- b) ensuring that Additional Authorised Users comply with these Terms and Conditions;
- c) all losses or liabilities incurred as a result of access granted to Additional Authorised Users.

4.5.7 You agree that we are not responsible for:

- a) verifying the suitability, authority, or employment status of any Additional Authorised User;
- b) internal disputes regarding access or authority between you and Additional Authorised Users;
- c) any unauthorised transaction resulting from you granting access to individuals who should not have access.

4.5.8 You agree that you will be bound by anything done by the Additional Authorised User even if they exceed the authority you intended to give them.

4.5.9 You agree that granting the Additional Authorised User full access is done at your own risk.

4.5.10 You understand and agree that we may disclose certain information about your Business, your Business Account, your transactions, or your Business Profile to any Additional Authorised User where necessary to provide the Services. We are not responsible for how any Additional Authorised User uses, accesses, stores, or shares such information. Granting access to the Additional Authorised User does not relieve you of any of your responsibilities under this Agreement, including the responsibility to notify us immediately if your Business Account has been compromised or if you believe any transaction is incorrect or unauthorised.

4.5.10a. You acknowledge that Additional Authorised Users, including those with Viewer access, may have access to sensitive financial and transactional information. You are solely responsible for determining which individuals are granted access and for managing and monitoring such access.

4.5.11 You agree to promptly provide any information or documentation we request and to provide it in a form that's acceptable to us. You also agree that we may carry out any checks we consider necessary to verify or validate information you provide, either directly or through third parties, including commercial databases, identity-verification providers or other reference sources, in accordance with applicable law.

4.5.12 You authorise us to obtain information relating to your Additional Authorised Users—such as identity information, verification data, or credit-related information to the extent permitted under applicable laws and regulations (including for onboarding, ongoing monitoring, risk assessment, or in connection with a dispute). You also agree that we may disclose information about Additional Authorised Users to third-party service providers where necessary for verification, due diligence, credit referencing, or risk-management purposes. You agree that we may request additional information relating to any Additional Authorised User or transaction and may delay or block transactions where necessary to comply with legal and regulatory obligations.

4.5.13 You may remove or restrict the Additional Authorised User's permissions at any time. Revocation of access takes effect once processed in our systems. We are not liable for actions taken by the Additional Authorised User prior to the effective time of revocation.

4.5.14 You agree that we may refuse, suspend, or terminate the Additional Authorised User's access where required for legal, regulatory, or risk-management reasons.

4.5.15 You agree that all Additional Authorised Users must comply with our security requirements, including strong customer authentication, multi-factor verification, and ongoing monitoring measures.

4.5.16 Each Additional Authorised User must review and explicitly accept these Terms and Conditions before being granted access to or permitted to use the Business Account or the Services. We may require such acceptance through the Business Account interface or through any other method we specify. No Additional Authorised User may access or use the Services until they have provided such explicit acceptance.

4.6. Additional security measures

4.6.1. Always verify the URL of the website before entering your login credentials. The secured TransferGo website always begins with "https://" and displays a padlock icon in the address bar.

4.6.2. Be cautious of any unsolicited communications asking for your Business Profile details or directing you to log in. TransferGo will never ask you to disclose your full password, passcode or two-factor authentication code.

4.6.3. Regularly check your Business Profile and Business Account activity and transaction history. Report any suspicious or unrecognised transactions to our Customer Support team immediately.

4.7. You agree to immediately notify TransferGo if you suspect that you have fallen victim to a scam or if there is any unauthorised use of your Business Profile, any service provided through your Business Profile, or any password, passcode related to your Business Profile, or any other breach of security. You also agree to provide assistance, as requested, to stop or remedy any breach of security related to your Business Profile. You can reach our support team through the "Contact Us" section of our website, or by emailing to hello@transfergo.com.

4.8. You agree to provide accurate, current, and complete information as requested from time to time and to promptly notify us of any changes to this information to ensure that it remains accurate, current, and complete.

4.9. You don't need a Business Account to make money transfers with us. You can use these services when you log in to your Business Profile, subject to our terms.

4.10. If you use our Services solely to make money transfers or maintain a Business Profile with TransferGo without a Business Account, you agree to this Agreement each time you use our service in this way. When you open a Business Account, this Agreement applies to that Business Account while it is open.

4.11. When you make a transfer with us, it is your responsibility to make sure that all transfer details are complete, accurate, and correct (including, but not limited to, the Receiver's details and their banking details). We may not always be able to let you change the details of your transfer once submitted for processing, and they will be treated as correct (even if a mistake was made). You may be entitled to a refund in certain circumstances, and you can cancel a valid transfer at any time while it is pending. If you provide incorrect information with your payment instructions, we will use reasonable efforts to recover the funds for you, but this is not guaranteed, and we may need to charge you a fee.

4.12. You must notify us by sending an email to hello@transfergo.com of any unauthorised or incorrectly initiated or executed payment transactions as soon as you become aware of them, and no later than 13 months after the debit date, in order to be entitled to have the error corrected. If you are not a consumer, a micro-enterprise or a charity as defined under the PSRs, you must notify us no later than 2 months after the debit date, upon becoming aware of any unauthorised or incorrectly executed payment transactions.

4.13. On 7 October 2024, the Payment Services Regulator (PSR) introduced reimbursement rules to ensure banks and other payment firms in the UK treat victims of Authorised Push Payment fraud (or APP fraud) consistently. If you are a consumer, a micro-enterprise or a charity as defined under the PSRs, you may be entitled to a refund if you've been a victim of an APP scam.

An APP scam happens when:

- You meant to send money to a particular person, but you were deceived or manipulated into sending money to someone else, or
- You sent money to someone for what you believed was a genuine purpose, but it was actually fraudulent.

We've set out some information on what the reimbursement rules cover and don't cover, along with the steps involved in raising a claim on our [help page](#).

5. TransferGo Multi-currency Business Account

5.1. Your Business Account is a multi-currency account that allows you to hold, spend, send, receive, and exchange multiple currencies. The available currencies may change from time to time at our discretion.

5.2. The funds held in your Business Account do not expire and are issued in accordance with the EMRs.

5.3. The funds held in your Business Account do not earn interest or any returns.

5.4. The funds held in your Business Account belong to your Business as the registered Business Profile holder.

5.5. You may not place any charge or other form of security over your Business Account.

5.6. We may provide you with account details that can be used to receive funds from third parties. These account details are not a bank account held by you but rather a means to receive funds into an account held by TransferGo.

5.7. our transaction history is displayed on your Business Profile. You may view your money transfer statement and/or Business Account statement by logging into your Business Profile.

5.8. You can add money to your Business Account by:

5.8.1. Using local or international bank transfer methods from a bank account in your name. Your bank may charge you a fee for the transfer.

5.8.2. Using our open banking partners, where they (such as Tink) are authorised to provide access to your accounts with other providers and make payments from them to us. If you choose to use this feature, you must enter your account access details accurately to complete a payment and comply with any terms and conditions you agreed to with our open banking partners.

5.8.3. Permitting a third party or another TransferGo account user to send money to your Business Account.

5.8.4. When you make or receive international transfers to your Business Account through us, you may be provided with a virtual IBAN (vIBAN). An IBAN (International Bank Account Number) is a unique identifier used for international payments. You can access information on vIBANs, including how they are issued and managed, [here](#).

5.9. When we receive the money, we'll add the equivalent value of e-money to your Business Account (less any applicable charges).

5.10. We might not add money to your Business Account if:

- Your Business Account has reached the maximum balance or Business Account limits.
- Your Business Account is inactive or blocked.
- A third party or another TransferGo account user has not given correct/valid TransferGo account details for your Business Account.
- We suspect fraudulent activity on your Business Account.
- Your Business Account is closed.
- Doing so is prohibited by applicable laws.

5.11. If any of the above situations apply, we may return the money to the sender without notifying you, after deducting any fees we deem necessary.

6. Payment

6.1. Our Service allows you (the 'Sender', a business who intends to send funds through the transfer) to send money from any of the countries in which we operate (the 'Supported Countries') to any person or business in the same or another Supported Country (the 'Receiver').

6.1.1. Please note that we are always expanding the list of Supported Countries. For the most up-to-date list, please check our calculator on the website.

6.1.2. TransferGo reserves the right to cease providing the Services in any of the Supported Countries at any time and without prior notice.

6.2. To transfer money to a Receiver, you will need to provide payment instructions through the Service. This will include, but is not limited to, the Receiver's full name, address, account number, Bank Identifier Code ('SWIFT' or 'BIC'), 'Reference' (if applicable), and the amount you wish to send (the 'Transaction Amount').

6.3. While we may offer "confirmation of payee" services for certain payments, the final decision on whether to proceed with those payments rests solely with you. These services are designed to help you make a more informed choice. However, the information provided through this service comes from the institution holding the payee's account, not from us. Therefore, we cannot guarantee its accuracy.

6.4. It is solely your responsibility to make sure all the transaction details are accurate before submission.

6.5. Providing inaccurate details can cause delays in processing your transaction or can lead to it being cancelled. Once a transaction has been submitted for processing, TransferGo may, at its sole discretion, attempt to cancel a transfer at your request, but cannot guarantee success if a transfer has been duly authorised and submitted (please refer to the 'Cancellation and refund' section).

6.6. Before you confirm a transaction, we will provide you with the foreign exchange conversion rate that will be applied, along with the fee we will charge (the 'Transaction Fee').

6.7. We will also provide you with the estimated amount the Receiver will obtain (the 'Payout Amount') after currency conversion and Transaction Fee deduction.

6.8. The actual amount that the Receiver gets may differ from the Payout Amount due to additional fees applied by banks or other service providers. Please see the section 'Other fees, charges, and interest'.

6.9. Once you initiate a transaction, we will generate a unique transaction identification number and provide you with funding instructions, including our bank account details, or request your card details (if that is your chosen payment), so that you can deposit the Transaction Amount and pay us the required Transaction Fee.

6.10. The funds will be paid into the Receiver's account or any supported receiving method in the Receiver's Supported Country stated in the online form. Once your transfer has been accepted and the Transaction Amount and Transaction Fee received by TransferGo, we will credit the Transaction Amount into the Receiver's bank account in the requested currency and within the chosen delivery time.

6.10.1. We will not contact the Receiver when funds become available in their account.

6.10.2. We will store the provided Receiver information so you can easily make transactions to them in the future.

6.10.3. We will attempt to process transactions promptly, but they may be delayed or cancelled for a number of reasons, including, but not limited to: our efforts to perform verification checks or due diligence reviews; to validate your transaction instructions; to contact you; to comply with applicable law; variations in business hours and currency availability; additional compliance requirements and/or operating procedures and business guidelines our partners have in place.

6.10.4. Delivery times quoted on our website and in these Terms and Conditions are representative of the 'normal' / average service and are not a guarantee of an individual Service or transaction time.

6.10.5. 'Business Day', for the purpose of these Terms and Conditions, means a day other than a Saturday, Sunday, or public holiday in the United Kingdom, or in the Sender's/Receiver's jurisdiction when banks are open for business.

6.10.6. Banks have specified cut-off times for the receipt and dispatch of electronic payments. You acknowledge and agree that TransferGo cannot be held liable for any delay in onward payment attributable to the late arrival of funds or instruction of payment related to these cut-off times.

6.10.7. If you notice that funds that do not belong to you have been credited to your Business Account, you must inform us immediately. If any amount is incorrectly credited to your Business Account, we may debit it without your separate consent. If you no longer have the funds in your Business Account to cover such a debit, you must repay us within 3 Business Days of receiving our request. If you fail to cooperate and refund the funds, TransferGo will take legal and enforcement action.

6.10.8. We take the protection of your funds seriously. In accordance with the requirements of PSRs and EMRs, we safeguard customer funds using an insurance policy provided by an authorised insurer and, where applicable, the segregation method. Under the insurance method, customer funds are protected by an insurance policy intended to cover amounts owed to customers in the event of our insolvency. If we were to become insolvent, customers may be able to make a claim under this policy, subject to its terms, conditions, and coverage limits. Any such claims would be handled in accordance with applicable insolvency procedures and the terms of the insurance policy.

To the extent that relevant customer funds exceed the coverage limits of this insurance policy, as agreed with our broker, we safeguard those funds using the segregation method. Under this method, we hold those funds separately from our own funds with authorised financial institutions, in accordance with applicable regulatory requirements.

In the event of our insolvency, safeguarded funds would be returned to customers from the relevant asset pool in priority to other creditors, subject to applicable law and the costs of administering and distributing that asset pool. This process would be managed by an insolvency practitioner.

Because we are an electronic money institution and not a bank, customer funds held with us are not protected by the Financial Services Compensation Scheme (FSCS), which protects certain deposits held with banks and building societies.

For more information about how we protect customer funds, please visit our [Help Centre](#).

7. Your payment details

7.1. We will ask you to provide details of the Payment Instrument you wish to use, such as your credit card, debit card, or bank account (your 'Payment Instrument'), so that we can collect payment from you when you initiate a transaction.

7.2. You authorise us to debit your chosen Payment Instrument with the Transaction Amount and Transaction Fee. You represent and warrant that you are the lawful owner of this Payment Instrument(s) and that the details you supply are accurate.

7.3. If your payment fails or is insufficient, you authorise us to re-try one or more times to debit your selected Payment Instrument.

7.4. TransferGo will take no responsibility for any fees or charges you may incur for using a particular Payment Instrument. These may include, but are not limited to, unauthorised overdraft fees resulting from insufficient funds in your bank account or 'cash advance' fees and additional interest imposed by credit card providers should they treat the use of the Service as a cash transaction rather than a purchase transaction.

8. Exchange rates

8.1. We will let you know the exchange rate when you place your payment order.

8.2. 'Exchange rate' in the Terms and Conditions refers to the exchange rate at the relevant time for the relevant currency pair that is offered by us, which is typically provided by a reference rate provider. We may change our reference rate provider from time to time without providing you notice.

8.3. We will notify you of the guaranteed rate and the guaranteed time period when you create your transfer. Guaranteed periods are subject to the following conditions:

8.3.1. The guaranteed period may be extended if your transfer is created over the weekend or public holiday.

8.3.2. We must receive sufficient funds from you during the guaranteed period in order to convert your money at the guaranteed rate. You will see when we have received your money by logging in to your Business Profile.

8.3.3. If we receive your funds after the guaranteed period, we will not be able to convert your money using the guaranteed rate, and your transfer will become a non-guaranteed rate transfer. Accordingly, we may convert your money at the applicable exchange rate or email you to ask whether you want to proceed with your transfer at the new exchange rate.

8.3.4. If the relevant exchange rate (as provided by our reference exchange rate provider) changes by 5% or more during the guaranteed period, we can, at our own discretion, suspend your transfer for a reasonable period of time or cancel it and refund you.

8.3.5. We may change these guaranteed rate conditions or suspend the guaranteed rate feature at any time.

8.4. The total amount (the Transaction Amount, Transaction Fee, and other applicable fees and charges) to be paid, along with the relevant exchange rate, will be displayed clearly on the website before you are asked to confirm your transaction. Proceeding with the transaction from this point is entirely optional.

8.5. This exchange rate will apply even when there is a delay in processing your transaction.

8.6. We are not a currency-trading platform. Therefore, you should not use our Services for any kind of trading. If we determine that you are using our Services for this purpose, you will have broken these Terms and Conditions, and we reserve the right to (i) cancel the transaction and refund your payment; (ii) suspend or close your Business Profile and/or Business Account and seek disgorgement of your gains.

9. Other fees, charges, and interest

9.1. If your transaction results in TransferGo becoming liable for fees or charges, such as chargeback or other fees, you agree to reimburse us. For the avoidance of doubt, we also reserve the right to deduct such fees from your Business Profile and/or Business Account.

9.2. If you selected a pay-in method that gives you chargeback rights (for example, you may ask your card provider to reverse a transaction on your credit card), you promise that you will only exercise this chargeback right if: (i) we have breached these Terms and Conditions; or (ii) there was unauthorised use of your Payment Instrument.

9.3. You promise that you will not exercise your chargeback right in instances where we are not responsible, including a dispute with your Receiver, or if there are insufficient funds in your Payment Instrument. If we need to investigate or take any actions in connection with a chargeback raised by you, we may charge you for the costs involved and deduct this amount from your Business Profile and/or Business Account.

9.4. In order for us to collect payment from you, you authorise us, in accordance with any requirements under applicable law, to access, charge, or debit funds from, any of your Payment Instruments.

9.4.1. For example, if there are insufficient funds in your bank account at the time you submit your transaction, we may try to debit your bank account, in accordance with applicable laws and rules, or charge your credit card at a later time.

9.4.2. TransferGo is not responsible for any charges applied by the Receiver's bank resulting from the receipt of funds.

9.5. You should contact the Receiver's bank directly for details about any charges that may be applicable to the transaction.

9.6. You will not be entitled to any interest for the period during which the funds to be remitted are with the bank, pending remittance, in the course of remittance, or for any other period. TransferGo may, at any time and at our sole discretion, limit the transfer amount, either on a per-transaction basis or on an aggregated basis.

9.7. On certain occasions, intermediary bank fees may be applicable. In such cases, TransferGo may refuse to cover the fees. TransferGo is not liable for covering fees imposed by the Receiver's bank.

9.8. You must always maintain a zero or positive balance in your Business Account. If your account balance becomes negative, you agree to repay the negative amount immediately. We may take steps to recover this amount, including, but not limited to, using a debt collection service or taking legal action.

10. Cancellation and refund

10.1. You may cancel your money transfer before we receive your funds by following the instructions set out in our [Help Centre](#). You cannot cancel your money transfer once your funds have been received and the transfer initiated.

10.2. If you wish to cancel a transaction and/or request a refund, you can send an email to hello@transfergo.com. Alternatively, you can contact us via the contact information supplied at the bottom of these Terms and Conditions.

10.3. We will consider your request for a refund (submitted by email, mail, or phone), if we are able to identify you as the Sender.

10.4. For us to identify you, you must contact us from your registered email address, and provide your full name, registered address, and phone number, together with the transaction identification number, Transaction Amount, and the reason for your refund request. We will credit back any refunds to the Payment Instrument from which the transaction was made, and in the same currency unless we cannot identify the Sender's bank account.

10.5. If we cannot identify the Sender's bank account, we will contact the Sender and ask them to provide the same currency bank account details in order to refund the transfer.

10.6. For successful revocations, TransferGo will normally refund your money to the Payment Instrument from which the transaction was made, and in the same currency, excluding any reasonable revocation, recall, or tracing charges and any Transaction Fees already charged. No adjustment will be made for any currency fluctuations that may have occurred. We will only refund the Transaction Amount if the transaction was not paid out to the Receiver (in which case we will also cancel your pending transaction).

10.7. In circumstances where the Sender wants to recall a payment that has already been credited to the Receiver's bank account, they may do so. However, TransferGo cannot guarantee the cancellation will be successful.

10.8. In those circumstances, we would make reasonable efforts to recover the funds. We may charge you a reasonable fee reflective of our efforts. However, there is no guarantee that the cancellation will be successful.

10.9. You may recover the full amount of executed transfers initiated by or through the Receiver, if: (i) a precise amount was not specified when the transfer was authorised; and (ii) the transfer amount exceeds what could have been reasonably expected of you. We will request information regarding these conditions. You can request a refund within 8 weeks of the debit date, and we will repay the full amount within 10 working days. If we refuse your request, we will explain why and specify the procedure for appealing against this decision.

10.10. Where we have a legitimate reason to believe that your Business Account has received, sent, or been involved in transactions that are fraudulent, unlawful, or in violation of these Terms and Conditions, we reserve the right to immediately and unilaterally suspend, freeze, or otherwise restrict access to your Business Account, with or without notice, while an internal and/or external investigation is carried out. If, during or following this investigation, the suspicion remains substantiated, or regulatory/legal obligations require it, the restriction may be extended until a final decision is reached, including the potential termination of the business relationship in accordance with these Terms and Conditions and applicable law.

During any suspension or freezing period:

- No outgoing transactions will be processed;
- Incoming transactions may be rejected, delayed, or returned to the sender, and will not be credited to your Business Account until restrictions are lifted;
- Payments with discrepancies in the payee name may be refused.

10.10.1. If we, in our sole discretion and acting in good faith, reimburse any third party (such as a fraud victim, card scheme, or payment service provider) due to unlawful or unauthorised transactions linked to your Business Account, you agree that:

- Any current or future funds received into your Business Account may be used by us to recover the reimbursed amount;
- We will automatically deduct such funds until the negative Business Account balance caused by the reimbursement has been cleared;
- You remain liable to us for any unrecovered balance if sufficient funds are not received;
- In the event we receive a bank recall or chargeback instruction related to a transaction involving your Business Account, and we contact you for information or confirmation, your Business Account will be debited to fulfill the bank recall if no response is received or the response is insufficient within five (5) business days of our notification.

10.10.2. If funds are received into your Business Account after the negative balance has been cleared, we may:

- Return excess funds to the original Sender (payer), where possible and lawful to do so;
- Permanently close your Business Account to prevent further misuse or financial crime risks.

10.10.3. We may take any of the actions described in this clause without prior notice if necessary to comply with applicable laws, regulatory obligations, or to prevent harm. You agree that such actions are appropriate and proportionate responses to misuse or suspected fraud.

10.10.4. We may report suspected criminal activity, financial crime, or possession of criminal property to the relevant authorities, including but not limited to the UK National Crime Agency (NCA), and will comply with all applicable requirements under the Proceeds of Crime Act 2002 (POCA), the Money Laundering Regulations, and relevant FCA rules and guidance.

11. Collection of Information

11.1. United Kingdom ('UK') law requires all financial institutions to obtain, verify, and record identifying information about all their customers. We may therefore be required to request your Business information, and we may also legally consult other sources to obtain this information.

11.2. We may be required to request your Business information, and we may also legally consult other sources to obtain this information in accordance with our obligations under the

Money Laundering Regulations 2017 and any other applicable laws of the UK or of the country from which funds are transferred or received.

11.3. We may require the following means of verification: photographic evidence of Authorised Business Users, such as a copy of their passport or other form of identification, and proof of residence.

11.4. You agree that we may disclose certain information about your Business and Authorised Business User, including relevant individuals' names, residential addresses, and dates of birth, to obtain a credit report.

11.5. All information provided by you will be treated securely and strictly in accordance with the UK GDPR and Data Protection Act 2018.

11.6. We reserve the right to request the above-mentioned documents from you, as well as other supporting information.

11.7. We are required to verify your Business details, the Authorised Business Users' details and other Business representatives as and when required. We may also use a recognised agency for this verification process, and disclose your information to a credit reference agency and fraud prevention agency, either of which may keep a record.

11.8. This is strictly to confirm your identity. A credit check will not be performed, and your credit rating will not be affected. All information provided by you will be treated securely and strictly in accordance with the UK GDPR and Data Protection Act 2018.

11.8.1. For further details on data protection and how we handle your information, please see our [Privacy Policy](#). You can request more information about data processing by emailing: dpo@transfergo.com.

11.8.2. We may be required by law to provide information about your Business, your Business use of the Service, and your instructions to government or other competent authorities, institutions, and business partners, including auditors and/or debt-collection offices as described in our Privacy Policy.

11.9. In addition to the checks we perform on Senders, we may, at our discretion, need to check other parties involved in a particular transaction. This may include, but is not limited to, checks on Receivers. These checks are conducted to comply with applicable laws, regulations, and our internal risk management policies.

13. Limitations of liability

13.1. We will provide the Service using reasonable care and diligence.

13.2. We will endeavour to make the Service available except for planned maintenance, for which we will give 24 hours notice via our website, or by providing you an alert through the Service;

13.2.1 Or unscheduled maintenance during normal business hours (UK time) or otherwise, we will endeavour to give you advanced notice via our website, or by alerting you through the Service.

We give no commitments relating to the performance or availability of the Service and, to the extent we are able to do so, we exclude any commitments that may be implied by law.

13.5. We will notify you as soon as we can if we are unable to perform a transaction for any of these reasons, and will take reasonable measures to secure the return of any money.

13.6. In the event that we make a payment transfer that is not in accordance with your instructions (for example, we send the transfer to the wrong Receiver), we will refund you that payment in full.

13.7. For security reasons, we recommend that you only send money to trusted and verified businesses and third parties that you know or have previously done business with. Exercise caution when sending money to receivers you do not know and have never dealt with before.

13.8. If you choose to pay third parties for goods and services using the Service, you acknowledge that TransferGo has no control over, and is not responsible for, the quality, safety, legality, or delivery of such goods or services, and that any such use of the Service is entirely at your own risk.

13.9. In case of an unauthorised payment or a payment that was incorrectly executed due to our error, we shall, at your request, immediately refund the payment amount, including all fees deducted. This shall not apply: (i) where the unauthorised payment arises from your failure to keep your account details safe; (ii) if you have acted fraudulently; (iii) if you have intentionally or by gross negligence failed to comply with the terms of this Agreement; (iv) if you fail to notify us as soon as possible of the loss of your password, passcode or other events that could reasonably be expected to compromise the security of your account.

16.9.5. If you access or use any Third-Party Materials, you agree that TransferGo is not liable for any loss or damage you may suffer as a result.
